

We've joined forces with Lyft!

Employees can now use their Commuter Check Prepaid Mastercard® to pay for Lyft Line.

ConnectYourCare partners with Commuter Benefit Solutions to bring convenient and affordable commuting options to employees that participate in the program. Which is why we are so excited to announce that we recently partnered with Lyft to offer a solution that will allow your employees to pay for Lyft Line rides with their Commuter Check Prepaid Mastercard.

Using the Commuter Benefits for Lyft Line couldn't be easier. Just have your employees follow these simple instructions, and they'll be on their way to sharing the ride with Lyft in no time.

Get started now.

- 1) Open the Lyft app.
- 2) Tap on the Line mode.
- 3) Enter pickup and destination information.
- 4) Select the Commuter Check Prepaid Mastercard as the method of pay.
- 5) Request a Line ride.

If your employees need a little help adding their Commuter Check Prepaid Mastercard as a Lyft payment method, no worries! We have instructions for that, too.

- 1) Open the Lyft app.
- 2) Tap on profile.
- 3) Tap on 'Payment' tab.
- 4) Select the Commuter Check Prepaid
- 5) Request a Line ride.
